MidFirst Bank finished out the Summer Session with only 2 losses on the season. The Cardiac Kids won several games in the last inning (4 one run games) rightly supporting Don Trenda's statement of 'This Team Bends but Doesn't Break'. The MidFirst Bank offense hit for a nice team average of .572 with nice power numbers of 36 extra base hits. The offense averaged 2 runs a game more than the opposing teams a good recipe for close wins. Pitching was excellent all year by Don Trenda and Greg Church who held opponents to under 10 runs a contest. Flexibility in defensive position play is always a great asset. Thanks to Kathy Boland, Dorothy Mazur, Jim Opyd, Dale Schroeder, Don Trenda, Greg Church, Les Bonde, Fred Lubs and Albert Miller for their willingness to play various positions throughout the year. Dennis Haak and John Boland anchored down the same positions throughout the session at Left Center and SS very nicely. Well deserved Championship by MidFirst Bank. Thanks to Commissioner Russ Figueroa, Mark Jessen up in the tower for all games, all the umpires and Eileen Figueroa for keeping scorebooks. Lastly, thanks to all the teams and players for sportsmanship and camaraderie which is why we play the game!
